## The Isigalo Foundation Trust

Approval of annual financial statements

(Registration number: IT2146/2010) Trading as Waves for Change Annual Financial Statements for the year ended 28 February 2023

## Trustees' Responsibilities and Approval

The trustees are required to maintain adequate accounting records and are responsible for the content and integrity of the annual financial statements and related financial information included in this report. It is their responsibility to ensure that the annual financial statements fairly present the state of affairs of the trust as at the end of the financial year and the results of its operations and cash flows for the period then ended, in conformity with the International Financial Reporting Standard for Small and Medium-sized Entities.

The annual financial statements are prepared in accordance with the International Financial Reporting Standard for Small and Medium-sized Entities and are based upon appropriate accounting policies consistently applied and supported by reasonable and prudent judgments and estimates.

The trustees acknowledge that they are ultimately responsible for the system of internal financial control established by the trust and place considerable importance on maintaining a strong control environment. To enable the trustees to meet these responsibilities, the board of trustees sets standards for internal control aimed at reducing the risk of error or loss in a cost effective manner. The standards include the proper delegation of responsibilities within a clearly defined framework, effective accounting procedures and adequate segregation of duties to ensure an acceptable level of risk. These controls are monitored throughout the trust and all employees are required to maintain the highest ethical standards in ensuring the trust's business is conducted in a manner that in all reasonable circumstances is above reproach. The focus of risk management in the trust is on identifying, assessing, managing and monitoring all known forms of risk across the trust. While operating risk cannot be fully eliminated, the trust endeavours to minimise it by ensuring that appropriate infrastructure, controls, systems and ethical behaviour are applied and managed within predetermined procedures and constraints.

The trustees are of the opinion, based on the information and explanations given by management, that the system of internal control provides reasonable assurance that the financial records may be relied on for the preparation of the annual financial statements. However, any system of internal financial control can provide only reasonable, and not absolute, assurance against material misstatement or loss.

The trustees have reviewed the trust's cash flow forecast for the year to 29 February 2024 and, in the light of this review and the current financial position, they are satisfied that the trust has or has access to adequate resources to continue in operational existence for the foreseeable future.

The external auditor is responsible for independently auditing and reporting on the trust's annual financial statements. The annual financial statements have been examined by the trust's external auditor and their report is presented on page 6.

The annual financial statements set out on pages 4 to 21, which have been prepared on the going concern basis, were approved by the board of trustees on 26 July 2023 and were signed on its behalf by:

MA.

W. Marshall-Smith B. Ndlovu

## The Isigalo Foundation Trust

(Registration number: IT2146/2010)
Trading as Waves for Change
Annual Financial Statements for the year ended 28 February 2023

## **Trustees' Report**

The trustees have pleasure in submitting their report on the annual financial statements of The Isiqalo Foundation Trust for the year ended 28 February 2023.

#### 1. Nature of business

The Isiqalo Foundation Trust was incorporated in South Africa with interests in the operating welfare, health and education programmes for youth from under-resourced backgrounds industry. The trust operates in South Africa.

**Surf Therapy**: The programme provides a child-friendly mental health service to vulnerable and young people living in unstable communities in the Western Cape, Eastern Cape of South Africa. Through connections to safe spaces, caring mentors and a 10-month weekly surf therapy curriculum and aftercare pathway.

**Partnerships**: partnership programmes utilise learnings from the Waves for Change programme to provide training and support to partner organisations who launch and sustain surf therapy and activity-based therapy programmes for youth both in South Africa and internationally.

There have been no material changes to the nature of the trust's business from the prior year.

#### 2. Review of financial results and activities

The annual financial statements have been prepared in accordance with International Financial Reporting Standard for Small and Medium-sized Entities. The accounting policies have been applied consistently compared to the prior year.

Full details of the financial position, results of operations and cash flows of the trust are set out in these annual financial statements.

#### 3. Trustees

The trustees in office at the date of this report are as follows:

#### Trustees

T.R. Conibear

B. Ndlovu

W. Marshall-Smith

A. Mhlongo

N. Mpekelana

There have been no changes to the trustees for the period under review.

#### 4. Events after the reporting period

The Isiqalo Foundation Trust donated all of its assets and discharged all of its liabilities to associated Non-profit organisation, Waves for Change Surf Therapy NPC.

The directors have adopted all operational and governance structures in order for Waves for Change Surf Therapy NPC to mirror The Isiqalo Foundation Trust Structure.

The purpose of the restructuring is to create a more internationally recognised governance structure and to create efficiencies in improving internal operational processes.

#### 5. Going concern

The trustees believe that the trust has adequate financial resources to continue in operation for the foreseeable future and accordingly the annual financial statements have been prepared on a going concern basis. The trustees have satisfied themselves that the trust is in a sound financial position and that it has access to sufficient borrowing facilities to meet its foreseeable cash requirements. The trustees are not aware of any new material changes that may adversely impact the trust. The trustees are also not aware of any material non-compliance with statutory or regulatory requirements or of any pending changes to legislation which may affect the trust.

# The Isiqalo Foundation Trust (Registration number: IT2146/2010)

(Registration number: IT2146/2010) Trading as Waves for Change Annual Financial Statements for the year ended 28 February 2023

## **Trustees' Report**

#### 6. Auditors

J.C. Galbraith continued in office as auditors for the trust for 2023.

### 7. Statement of disclosure to the company's auditor

With respect to each person who is a trustee on the day that this report is approved:

- there is, so far as the person is aware, no relevant audit information of which the trust's auditor is unaware; and
- the person has taken all the steps that he or she ought to have taken as a trustee to be aware of any relevant audit information and to establish that the trust's auditor is aware of that information.

#### 8. Date of authorisation for issue of annual financial statements

The annual financial statements have been authorised for issue by the trustees on Wednesday, 26 July 2023. No authority was given to anyone to amend the annual financial statements after the date of issue.

CA(SA) ACMA SAICA 00300409 IRBA 430617

## **Independent Auditor's Report**

#### To the Trustee of The Isiqalo Foundation Trust

#### Opinion

I have audited the annual financial statements of The Isiqalo Foundation Trust (the trust) set out on pages 8 to 21, which comprise the statement of financial position as at 28 February 2023, statement of comprehensive income, statement of changes in equity and statement of cash flows for the year then ended, and the notes to the annual financial statements, including a summary of significant accounting policies.

In my opinion, the annual financial statements present fairly, in all material respects, the financial position of The Isiqalo Foundation Trust as at 28 February 2023, and its financial performance and cash flows for the year then ended in accordance with the International Financial Reporting Standard for Small and Medium-sized Entities and the requirements of the Non Profit Organisations Act 71 of 1997 and Trust Property Control Act 57 of 1988.

#### **Basis for Opinion**

I conducted my audit in accordance with International Standards on Auditing. My responsibilities under those standards are further described in the Auditor's Responsibilities for the Audit of the Annual Financial Statements section of my report. I am independent of the trust in accordance with the Independent Regulatory Board for Auditors' Code of Professional Conduct for Registered Auditors (IRBA Code) and other independence requirements applicable to performing audits of annual financial statements in South Africa. I have fulfilled my other ethical responsibilities in accordance with the IRBA Code and in accordance with other ethical requirements applicable to performing audits in South Africa. The IRBA Code is consistent with the corresponding sections of the International Ethics Standards Board for Accountants' International Code of Ethics for Professional Accountants (including International Independence Standards). I believe that the audit evidence I have obtained is sufficient and appropriate to provide a basis for my opinion.

#### Other Information

The trustees are responsible for the other information. The other information comprises the information included in the document titled "The Isiqalo Foundation Trust annual financial statements for the year ended 28 February 2023", which includes the Trustees' Report as required by the Non Profit Organisations Act 71 of 1997 and Trust Property Control Act 57 of 1988 and the supplementary information as set out on page 22. The other information does not include the annual financial statements and my auditor's report thereon.

My opinion on the annual financial statements does not cover the other information and I do not express an audit opinion or any form of assurance conclusion thereon.

In connection with my audit of the annual financial statements, my responsibility is to read the other information and, in doing so, consider whether the other information is materially inconsistent with the annual financial statements or my knowledge obtained in the audit, or otherwise appears to be materially misstated. If, based on the work I have performed, I conclude that there is a material misstatement of this other information, I am required to report that fact. I have nothing to report in this regard.

#### Responsibilities of the Trustees for the Annual Financial Statements

The trustees are responsible for the preparation and fair presentation of the annual financial statements in accordance with the International Financial Reporting Standard for Small and Medium-sized Entities and the requirements of the Non Profit Organisations Act 71 of 1997 and Trust Property Control Act 57 of 1988, and for such internal control as the trustees determine is necessary to enable the preparation of annual financial statements that are free from material misstatement, whether due to fraud or error.

In preparing the annual financial statements, the trustees are responsible for assessing the trust's ability to continue as a going concern, disclosing, as applicable, matters related to going concern and using the going concern basis of accounting unless the trustees either intend to liquidate the trust or to cease operations, or have no realistic alternative but to do so.

## **Independent Auditor's Report**

## Auditor's Responsibilities for the Audit of the Annual Financial Statements

My objectives are to obtain reasonable assurance about whether the annual financial statements as a whole are free from material misstatement, whether due to fraud or error, and to issue an auditor's report that includes my opinion. Reasonable assurance is a high level of assurance, but is not a guarantee that an audit conducted in accordance with International Standards on Auditing will always detect a material misstatement when it exists. Misstatements can arise from fraud or error and are considered material if, individually or in the aggregate, they could reasonably be expected to influence the economic decisions of users taken on the basis of these annual financial statements.

As part of an audit in accordance with International Standards on Auditing, I exercise professional judgement and maintain professional scepticism throughout the audit. I also:

- Identify and assess the risks of material misstatement of the annual financial statements, whether due to fraud or
  error, design and perform audit procedures responsive to those risks, and obtain audit evidence that is sufficient
  and appropriate to provide a basis for my opinion. The risk of not detecting a material misstatement resulting from
  fraud is higher than for one resulting from error, as fraud may involve collusion, forgery, intentional omissions,
  misrepresentations, or the override of internal control.
- Obtain an understanding of internal control relevant to the audit in order to design audit procedures that are appropriate in the circumstances, but not for the purpose of expressing an opinion on the effectiveness of the trust's internal control.
- Evaluate the appropriateness of accounting policies used and the reasonableness of accounting estimates and related disclosures made by the trustees.
- Conclude on the appropriateness of the trustees' use of the going concern basis of accounting and based on the audit evidence obtained, whether a material uncertainty exists related to events or conditions that may cast significant doubt on the trust's ability to continue as a going concern. If I conclude that a material uncertainty exists, I am required to draw attention in my auditor's report to the related disclosures in the annual financial statements or, if such disclosures are inadequate, to modify my opinion. My conclusions are based on the audit evidence obtained up to the date of my auditor's report. However, future events or conditions may cause the trust to cease to continue as a going concern.
- Evaluate the overall presentation, structure and content of the annual financial statements, including the disclosures, and whether the annual financial statements represent the underlying transactions and events in a manner that achieves fair presentation.

communicate with the trustees regarding, among other matters, the planned scope and timing of the audit and significant audit findings, including any significant deficiencies in internal control that I identify during my audit.

## The Isigalo Foundation Trust

(Registration number: IT2146/2010)
Trading as Waves for Change
Applied Financial Statements for the year ended 28 Fe

Annual Financial Statements for the year ended 28 February 2023

## **Accounting Policies**

#### 1. Basis of preparation and summary of significant accounting policies

The annual financial statements have been prepared on a going concern basis in accordance with the International Financial Reporting Standard for Small and Medium-sized Entities. The annual financial statements have been prepared on the historical cost basis, and incorporate the principal accounting policies set out below. They are presented in South African Rands.

These accounting policies are consistent with the previous period.

#### 1.1 Significant judgements and sources of estimation uncertainty

#### Critical judgements in applying accounting policies

Management are required to make critical judgements in applying accounting policies from time to time. The judgements, apart from those involving estimations, that have the most significant effect on the amounts recognised in the annual financial statements, are outlined as follows:

#### Deferred revenue recognition

The revenue policy requires revenue to be deferred when there are restrictions and/or when the related costs for which the grants are intended to compensate have not occurred. Restrictions can be time based, cost or expenditure based. These restrictions can be donor specific, contract specific, geographic and / or general economic events. This is an area of judgement which can result in a greater or lesser revenue recognition which is dependent upon the decision regarding the nature and extent of the restrictions.

#### Key sources of estimation uncertainty

The financial statements do not include assets or liabilities whose carrying amounts were determined based on estimations for which there is a significant risk of material adjustments in the following financial year as a result of the key estimation assumptions.

#### 1.2 Property, plant and equipment

Property, plant and equipment are tangible assets which the trust holds for its own use or for rental to others and which are expected to be used for more than one period.

Property, plant and equipment is initially measured at cost.

Cost includes costs incurred initially to acquire or construct an item of property, plant and equipment and costs incurred subsequently to add to, replace part of, or service it. If a replacement cost is recognised in the carrying amount of an item of property, plant and equipment, the carrying amount of the replaced part is derecognised.

Expenditure incurred subsequently for major services, additions to or replacements of parts of property, plant and equipment are capitalised if it is probable that future economic benefits associated with the expenditure will flow to the trust and the cost can be measured reliably. Day to day servicing costs are included in surplus or deficit in the period in which they are incurred.

Property, plant and equipment is subsequently stated at cost less accumulated depreciation and any accumulated impairment losses, except for land which is stated at cost less any accumulated impairment losses.

Depreciation of an asset commences when the asset is available for use as intended by management. Depreciation is charged to write off the asset's carrying amount over its estimated useful life to its estimated residual value, using a method that best reflects the pattern in which the asset's economic benefits are consumed by the trust.

The useful lives of items of property, plant and equipment have been assessed as follows:

Item	Depreciation method	Average useful life
Motor vehicles	Straight line	5 years
Office equipment	Straight line	3 years
IT equipment	Straight line	3 years
Trailer	Straight line	5 years
Containers	Straight line	10 years

## The Isiqalo Foundation Trust

(Registration number: IT2146/2010) Trading as Waves for Change Annual Financial Statements for the year ended 28 February 2023

## **Accounting Policies**

#### 1.2 Property, plant and equipment (continued)

When indicators are present that the useful lives and residual values of items of property, plant and equipment have changed since the most recent annual reporting date, they are reassessed. Any changes are accounted for prospectively as a change in accounting estimate.

An item of property, plant and equipment is derecognised upon disposal or when no future economic benefits are expected from its continued use or disposal. Any gain or loss arising from the derecognition of an item of property, plant and equipment, determined as the difference between the net disposal proceeds, if any, and the carrying amount of the item, is included in surplus or deficit when the item is derecognised.

#### 1.3 Intangible assets

Intangible assets are initially recognised at cost and subsequently at cost less accumulated amortisation and accumulated impairment losses.

Research and development costs are recognised as an expense in the period incurred.

Amortisation is provided to write down the intangible assets as follows:

Item	Depreciation method	Average useful life
Website	Straight line	10 years

In cases where management is unable to make a reliable estimate of the useful life of an intangible asset, its best estimate is applied, limited to 10 years.

The residual value, amortisation period and amortisation method for intangible assets are reassessed when there is an indication that there is a change from the previous estimate.

#### 1.4 Financial instruments

#### **Initial measurement**

Financial instruments are initially measured at the transaction price (including transaction costs except in the initial measurement of financial assets and liabilities that are measured at fair value through surplus or deficit) unless the arrangement constitutes, in effect, a financing transaction in which case it is measured at the present value of the future payments discounted at a market rate of interest for a similar debt instrument.

#### Financial instruments at amortised cost

These include loans, trade receivables and trade payables. They are subsequently measured at amortised cost using the effective interest method. Debt instruments which are classified as current assets or current liabilities are measured at the undiscounted amount of the cash expected to be received or paid, unless the arrangement effectively constitutes a financing transaction.

At each reporting date, the carrying amounts of assets held in this category are reviewed to determine whether there is any objective evidence of impairment. If there is objective evidence, the recoverable amount is estimated and compared with the carrying amount. If the estimated recoverable amount is lower, the carrying amount is reduced to its estimated recoverable amount, and an impairment loss is recognised immediately in surplus or deficit.

#### Financial instruments at cost

Equity instruments that are not publicly traded and whose fair value cannot otherwise be measured reliably without undue cost or effort are measured at cost less impairment.

## The Isiqalo Foundation Trust

(Registration number: IT2146/2010) Trading as Waves for Change Annual Financial Statements for the year ended 28 February 2023

## **Accounting Policies**

#### 1.5 Tax

#### Current tax assets and liabilities

Current tax for current and prior periods is, to the extent unpaid, recognised as a liability. If the amount already paid in respect of current and prior periods exceeds the amount due for those periods, the excess is recognised as an asset.

The tax liability reflects the effect of the possible outcomes of a review by the tax authorities.

#### Tax expenses

Tax expense is recognised in the same component of total comprehensive income or equity as the transaction or other event that resulted in the tax expense.

#### 1.6 Leases

A lease is classified as a finance lease if it transfers substantially all the risks and rewards incidental to ownership to the lessee. All other leases are operating leases.

### Operating leases - lessee

Operating lease payments are recognised as an expense on a straight-line basis over the lease term unless:

- another systematic basis is representative of the time pattern of the benefit from the leased asset, even if the
  payments are not on that basis, or
- the payments are structured to increase in line with expected general inflation (based on published indexes or statistics) to compensate for the lessor's expected inflationary cost increases.

Any contingent rents are expensed in the period they are incurred.

#### 1.7 Impairment of assets

The trust assesses at each reporting date whether there is any indication that assets may be impaired.

If there is any such indication, the recoverable amount of any affected asset (or group of related assets) is estimated and compared with its carrying amount. If the estimated recoverable amount is lower, the carrying amount is reduced to its estimated recoverable amount, and an impairment loss is recognised immediately in surplus or deficit.

If an impairment loss subsequently reverses, the carrying amount of the asset (or group of related assets) is increased to the revised estimate of its recoverable amount, but not in excess of the amount that would have been determined had no impairment loss been recognised for the asset (or group of assets) in prior years. A reversal of impairment is recognised immediately in surplus or deficit.

#### 1.8 Employee benefits

#### Short-term employee benefits

The cost of short-term employee benefits, (those payable within 12 months after the service is rendered, such as leave pay and sick leave, bonuses, and non-monetary benefits such as medical care), are recognised in the period in which the service is rendered and are not discounted.

#### 1.9 Government grants

Grants that do not impose specified future performance conditions are recognised in income when the grant proceeds are receivable.

Grants that impose specified future performance conditions are recognised in income only when the performance conditions are met.

Grants received before the revenue recognition criteria are satisfied are recognised as a liability.

Grants are measured at the fair value of the asset received or receivable.

## The Isigalo Foundation Trust

(Registration number: IT2146/2010)
Trading as Waves for Change
Annual Financial Statements for the year ended 28 February 2023

## **Accounting Policies**

#### 1.10 Revenue and other grants

Revenue and other grants is recognised in profit or loss on a systematic basis over the periods in which the entity recognises expenses and the related costs for which the grants are intended to compensate. It should be noted that ultimate completion of delivery of service will happen once the program costs have been incurred to support the public benefit activity.

Revenue and other grants is recognised when the tranch payment becomes due or once a reporting period has come and the report has been filed to the funder. At this point the revenue is highly probable to be received and conditions of the funder have been met.

#### 1.11 Foreign exchange

#### Foreign currency transactions

Exchange differences arising on monetary items are recognised in surplus or deficit in the period in which they arise.

All transactions in foreign currencies are initially recorded in Rand, using the spot rate at the date of the transaction. Foreign currency monetary items at the reporting date are translated using the closing rate. All exchange differences arising on settlement or translation are recognised in surplus or deficit.

## Non provision of tax

No provision has been made for 2023 tax as the trust has no taxable income. The organisation has been approved as a Public Benefit Organisation in terms of Section 30 of the Income Tax Act. Certain receipts and accruals are considered to be exempt in terms of Section 10(1)(cN) of the Income Tax Act.

#### 19. Going concern

The annual financial statements have been prepared on the basis of accounting policies applicable to a going concern. This basis presumes that funds will be available to finance future operations and that the realisation of assets and settlement of liabilities, contingent obligations and commitments will occur in the ordinary course of business.

The trustees believe that the trust has adequate financial resources to continue in operation for the foreseeable future and accordingly the annual financial statements have been prepared on a going concern basis. The trustees have satisfied themselves that the trust is in a sound financial position and that it has access to sufficient borrowing facilities to meet its foreseeable cash requirements. The trustees are not aware of any new material changes that may adversely impact the trust. The trustees are also not aware of any material non-compliance with statutory or regulatory requirements or of any pending changes to legislation which may affect the trust.

#### 20. Events after the reporting period

The Isiqalo Foundation Trust donated all of its assets and discharged all of its liabilities to associated nonprofit organisation, Waves for Change Surf Therapy NPC.

The directors have adopted all operational and governance structures in order for Waves for Change Surf Therapy NPC to mirror The Isigalo Foundation Trust Structure.

The purpose of the restructuring is to create a more internationally recognised governance structure and to create efficiencies in improving internal operational processes.
